About ARRAY Technologies, Inc.

ARRAY Technologies, Inc. (NASDAQ: ARRY) is a leading global provider of solar tracking technology to utility-scale and distributed generation customers, who construct, develop, and operate solar PV sites. With solutions engineered to withstand the harshest weather conditions, ARRAY’s high-quality solar trackers, software platforms and field services combine to maximize energy production and deliver value to our customers for the entire lifecycle of a project. Founded and headquartered in the United States, ARRAY is rooted in manufacturing and driven by technology - relying on its domestic manufacturing, diversified global supply chain, and customer-centric approach to design, deliver, commission, train, and support solar energy deployment around the world.
