

ARRAY Technologies to Participate in Upcoming Conference for the Investor Community

February 23, 2026

ALBUQUERQUE, N.M., Feb. 23, 2026 (GLOBE NEWSWIRE) -- ARRAY Technologies, Inc. (NASDAQ: ARRY) ("ARRAY" or the "Company"), a leading global provider of solar tracking technology and fixed-tilt products, foundation solutions, software systems and services, today announced that members of its senior management team are scheduled to participate in the following conference for the investor community.

Jefferies Power, Energy, Clean Energy, and Utilities Conference

Attendees: Kevin Hostetler, CEO and Investor Relations

March 3, 2026

New York, NY

Interested investors should contact their Jefferies sales representatives. Management will be conducting one-on-one and group meetings with investors in attendance at the Jefferies conference.

About ARRAY Technologies

ARRAY Technologies (NASDAQ: ARRY) is a leading global provider of solar tracking technology and fixed-tilt systems to utility-scale and distributed generation customers, who construct, develop, and operate solar PV sites. With solutions engineered to withstand the harshest weather conditions, ARRAY's high-quality solar trackers, fixed-tilt systems, software platforms, foundation solutions, and field services combine to optimize energy production and deliver value to our customers for the entire lifecycle of a project. Founded and headquartered in the United States, ARRAY is rooted in manufacturing and driven by technology - relying on its domestic manufacturing, diversified global supply chain, and customer-centric approach to design, deliver, commission, train, and support solar energy deployment around the world.
