September 29, 2026

ARRAY will be conducting meetings with investors in attendance at all conferences. Interested investors should contact their Barclays, Keybank, BNP Paribas, and/or Wolfe Research representatives.

About ARRAY Technologies, Inc.

ARRAY Technologies, Inc. (NASDAQ: ARRY) is a leading global provider of solar tracking technology and fixed-tilt systems to utility-scale and distributed generation customers, who construct, develop, and operate solar PV sites. With solutions engineered to withstand the harshest weather conditions, ARRAY's high-quality solar trackers, fixed-tilt systems, software platforms, foundation solutions, and field services combine to optimize energy production and deliver value to our customers for the entire lifecycle of a project. Founded and headquartered in the United States, ARRAY is rooted in manufacturing and driven by technology - relying on its domestic manufacturing, diversified global supply chain, and customer-centric approach to design, deliver, commission, train, and support solar energy deployment around the world.
