PART III — NARRATIVE

On March 2, 2023, Array Technologies, Inc. (the "Company") filed a Notification of Late Filing on Form 12b-25 (the "Original Form 12b-25") reporting that it required additional time to complete its Annual Report on Form 10-K for the period ended December 31, 2022 (the "Annual Report") principally because the Company required additional time to (i) complete its review of its new subsidiaries' financial information and consolidation of these results into the Company's financial statements and (ii) correct errors in the unaudited condensed consolidated financial statements as of and for the quarter and year-to-date periods ended March 31, 2022, June 30, 2022 and September 30, 2022. This amendment to the Original Form 12b-25 is being filed to report that the Company will not be filing the Annual Report within the 15-day extension period provided by the Original Form 12b-25, as additional time is needed to complete the Annual Report. The Company is continuing in its efforts to file the Annual Report as soon as reasonably practicable.

The Company does not expect that the anticipated timing of filing the Annual Report will affect any of the financial reporting covenants under the credit agreement, dated October 14, 2020, governing its term loan facility and revolving credit facility, or under the indenture, dated December 3, 2021, governing the Company's 1.00% Convertible Senior Notes due 2028.
